Q1. What is the projected target audience by county for PACE Region IV?

A1. Attachment B contains target population estimates by county.

Q2. What is the projected pace funding by county for PACE Region IV?

A2. PACE expansion is intended to be a budget neutral proposition. If individuals in Region IV or any other region of the state choose PACE instead of KanCare the increase to PACE expenditures will be offset by a corresponding decrease in KanCare expenditures. Therefore, there is no budget or funding projection for PACE expansion on the state, region, or county level.

Q3. What is the projected reimbursement rate for each program i.e. private pay, Medicaid, Medicare?

A3. The State does not set private pay or Medicare PACE rates. The State's Medicaid PACE rates are set by region and can be found at the following link, http://www.kdads.ks.gov/LongTermCare/PACE/PACE_Index.htm
